

Ageing Research Funding Opportunities in EU FP 7

Forward Into Europe!

EPSRC

Engineering and Physical Sciences
Research Council

Your needs

- Better Networking (mentor matching, specialised workshops, places for European attendees)
- Best Practice (Hints & tips, examples of things which work)
- Older people (digital divide, design, devices, continence)

How SPARC can help

- Administrative resources
- Dedicated area of website (downloadable grants for easy cribbing, tips guide etc). Website is linking with LINK-AGE
- Dating service (running a project and want partners..tell us we'll tell the network)
- Workshops (you want it we'll run it..stand up and be counted)

How SPARC CAN'T help

- Giving you the odd £30k to pre network!
- Changing the rules on FP7!
- Coming up with pre written Integrated projects that you sign!

Thanks to You ALL!

**Thanks for coming, thanks for
contributing, thanks for making
SPARCs fly**
